OUR MISSION

The Southeast NetSuite User Group is dedicated to empowering NetSuite professionals through a vibrant, locally-based forum for sharing best practices and technical solutions related to NetSuite products and surrounding technologies. Our group thrives on networking, building connections, and learning from each other's experiences. With established chapters in Nashville, Atlanta, Raleigh, and Charlotte, we are rapidly expanding. Sponsoring our group aligns your brand with an engaged community of NetSuite users and positions you as a key player in fostering innovation and excellence within the NetSuite ecosystem. Join us in driving progress and excellence in the NetSuite community!
